

Recipe for making Play Dough

Ingredients

- 1 cup plain flour
- 1 tbsp oil
- 1 cup water
- ½ cup salt
- 2 tsp cream of tartar
- 2 tsp food colouring of your choice

How to make

1. Pour all the dry ingredients together in a saucepan.
2. Add the oil, food colouring and add to dry ingredients.
3. Use a whisk before heating the mixture to make sure all there are no lumps.
4. Cook over medium heat, stirring constantly until it comes together and makes a ball – as if you were mixing pastry mixture with water.
5. When the mixture has cooled, turn out onto a clean surface and knead until the mixture is very smooth.
6. To prevent the dough drying out, put it in a sealable plastic bag or air tight plastic container.
7. Store in a cupboard, storing in the fridge makes the dough hard.
